

Do You Want The Dough To:

- Grow your business
- Buy new equipment
- Pay off bills
- Create an advertising campaign?
- Prepare for emergencies

Sterling Funding can help!

Even if you've been turned down by your bank.

**Sterling Funding provides you
with working capital that's:**

Fast – Most businesses get approval in about 24 hours and have the money in hand in about a week or faster.

Easy – No application or upfront fees. Simple approval process. Generous, flexible credit review.

Painless and Flexible – No invoices to track – no checks to write. Payment is automatic. It's just a small portion of your future **VISA** and **MasterCard** transactions and that payment adjusts to card sales transactions.

We fund from \$5,000 up to \$100,000 depending upon their average monthly sales.

And when you sign up for Sterling processing you can apply to pre-qualify for **Sterling's Cash Advance Protection Program™** – a great new service that can make funds available to you quickly to purchase new equipment or services, take advantage of special buying opportunities or respond to emergency needs.

When you pre-qualify, Sterling's Cash Advance Protection Program™ will be there for you with funding when you need it in just 48 hours!

If you want money to build your business now or plan for the future don't just think about it.

We're ready to help. ACT NOW!
