# FUNDS TO GROW YOUR BUSINESS

## Quick, Easy & Painless

*Let Sterling Funding help you grow your business!*

### Qualifying

- No application or upfront fees
- Simple approval process, typical approval in 24-48 hours
- Generous, flexible credit guidelines
- Minimum of \$10,000 monthly in credit card processing

### Funding

- Typically approved within 48 hours
- Funding from \$10,000 up to \$100,000
- Generally funded within 7 days...even faster if you already process with Sterling Payment Technologies.
- Funds to grow your business available for equipment upgrades, renovations, expansions, business promotions, or emergencies.

### Processing

- **HOW** – Sterling purchases a small portion of your future credit card sales
- **AUTOMATIC** – Payment is automatic. It is just a small portion of your future  and  sales and that payment adjusts to your card sales.
- **PAINLESS** – Each deduction is a fixed percentage of credit card sales processed.
- **EASY** – No invoices to read or track and no checks to write or mail.

With a reasonable credit history and a good track record of card sales, we know you'll qualify for this simple, easy source of working capital - **even if the bank has turned you down!**

**This is a purchase of a small portion of your future sales, not a loan!**

*Consult with us (at no obligation) for a fair and accurate appraisal regarding your funding issues – because growing your business is our business!*
